**Weekly Activity Fees/ Field Trips:** Field trip registration fees are separate from the weekly camp cost. If your child is signed up for a week with a field trip it is assumed that your child is attending the trip and you will be responsible for the field trip fee. There is no camp at the community center on field trip days as all campers and camp staff go on the field trip. If you do not wish for your child to attend the field trip and do not want to be liable for the trip fee, please choose the 3-day option for that week and select days outside of the field trip. Please see camp calendar for scheduled field trip days.
