Feedback from all our contributors has been very positive. We printed 2000 copies of the map at a cost of \$1008.00, which was covered by our sponsors donations. We did not get the 10% discount because we are not a non-profit organization because we are a committee of the municipality. All the extra maps will be kept with Angela at the Town Hall. The map will be distributed to the Town Hall, Historical Society, all the Inns, and The Chamber of Commerce. Ginny will send thank-you to Hannafords and other prize contributors and Liz will follow-up with letters to editors in the papers and personal letters of appreciation to our sponsors, Meredith Rotary, MVSBS, Inns at Mill Falls and HEAL NH.

It was decided not to put the Historic Walking Map on the Meredith Town website or the Pathways Committee page or any other organization's website.
Liz will check about a copyright.

It was suggested that we do something special for Fran Orenstein for all her expertise and a job well done.

IDEAS to think about:

Safe Routes to School
Walk from Community Center and park to School, Liz will check with John Sherman and the Conservation Commission.

SUMMER VACATION. Next meeting, September 8th at 2:30 at the Town Hall Annex
