

Waukewan Watershed Advisory Committee  
June 30, 2004 Field Trip/Meeting Minutes

Members Present: Bruce Bond, Chairman, Bonnie Ireland, Vice-Chairman, Caroline Gosse, Fred Avery, Peter Miller, Jeff Moody, Tim Whiting, Randy Eifert, John Hodsdon Jeanie Forrester, Co-Secretary, Bob Vogler, Co-Secretary

Staff Present: John Edgar, Jennifer Palmiotto, Jacquie Colburn

The meeting was called to order approximately 6:05 p.m. at Prescott Park. Bruce Bond and John Edgar gave a brief overview of the field trip (refer June 27 memo on field trip outline).

Jennifer Palmiotto handed out the "Potential Source of Contamination and Risk Survey Form" for members to review and keep in mind during the field trip as to things we should be looking for.

Members proceeded on the field trip, stopping at several locations along the way. These stops included a brief discussion by John Edgar about sources of contamination, the importance of preservation, and watershed issues generally and specifically. The tour ended approximately 8:30 p.m. ending back at Prescott Park.

Prior to adjourning the meeting, each member received a binder entitled, "Source Protection, A National Guidance Manual for Surface Water Supplies 2000." Jennifer suggested that members review the binder and talked briefly about the survey that we would be performing. A suggestion was made to put a press release out notifying the public that the Committee would be doing the survey. John Edgar also mentioned that an official letter would be prepared from the Town that would endorse the survey, so that each member could show it to potential survey participants.

Jennifer asked for a volunteer to work on updating the Watershed brochure. Jeanie Forrester agreed to assist in the update prior to the next meeting.

The next meeting of the Waukewan Watershed Advisory Committee is scheduled for Wednesday, July 14 at 7 p.m. at the Meredith Police Station.

The meeting adjourned at 8:40 p.m.
