Summer Police Department Positions

The Town of Meredith Police Department is looking to hire the following positions for the summer season.

**Traffic Control**

The Traffic Control person will assist people crossing Route 3 and ensure traffic flows safely and expeditiously. This position begins the end of June and continues through September. The work schedule for this seasonal position will include Saturdays, Sundays, and Holidays from 11am to 3pm. The starting rate for this position is $13.89 per hour.

**Boat Launch Attendant**

The Boat Launch Attendant will assist patrons at the public boat launches in Meredith; checking registrations and taking fees as needed. Part-time seasonal position. Starting rate for this position is $11.65 per hour.

**Parking Enforcement**

Responsible for enforcing the Town of Meredith’s Parking Ordinances, to include both motor vehicles and boats and trailer parking. The Parking Enforcement Officer should work as an extension of a patrol officer with regard to parking matters, however, is not required to be a sworn police officer. Parking Enforcement Officers will be required to document activity by keeping daily logs and issuing paperwork accordingly in compliance with Town Parking Ordinances. Parking Officers will be required to operate and carry a police portable radio. Knowledge of appropriate radio communication codes will be provided. Starting rate for this position is $11.65 an hour.
